

Saddleworth Joinery Manufacturers - May 09

After the building work had slowed to a near standstill, I was going to chart each month, but after I did this one, it became apparent that we weren't going to see much more of Saddleworth Joinery Manufacturers, Oldham Joiners, PB Joiners and Builders, or whatever other name Paul Brown goes by so I gave up.

If you want to know more about this building fiasco, then I suggest you go to <http://www.mark-alla.co.uk> and click on the **Building Work** Icon. If you wish to contact me then my email address is this website minus the www, with mark@ at the front. Hopefully you have found this page before any work has been carried out, but if not, I suggest you seriously consider continuing down the same path otherwise you could easily land in the same position.
